June is always an interesting time in the life of the church. June is a deceptive month and on the surface it seems that everything is slowing down. The school year and the high holy seasons of our church calendar have passed, school is out, vacations are planned, and we enter into what the church calendar calls "ordinary time."

I have always wondered why the church had a season called "ordinary time." To me, that title sounds like "boring" time, but truly this season we are entering into is one that is anything but boring! What we as Christians call ordinary, others might call extraordinary. This is the season where the church is called to spend its time not focused inwardly, but instead focused outwardly. We are called to take the gift of Christ we received at Advent, the new life we have been gifted at Easter, and the Spirit of God that has been bestowed upon us at Pentecost out into the world. This is a season of reaching out into the community, inviting our friends into our church, having Vacation Bible School, Youth Week, summer fellowship days, community mission opportunities, and times of exciting and life changing worship with one another.

This summer our hope is to put this season of "ordinary time" to extraordinary use. We are launching a new and exciting ministry through our online campus. When you are unable to be present in person at our worship services or our disciple-making opportunities, through this campus you will still be able to connect with our church and grow in your life with Christ. It is a place where we can all remain connected to one another no

matter where we are in the world. You can find this campus on both the Google and Apple app stores by searching for “Enterprise FUMC.”

During this season of ordinary time, we will also be working hard here at Enterprise FUMC to bring back the ministries that we have been missing since the outbreak of Covid-19. After a year of being slowed down by shutdowns and social distancing we are bringing everything back this summer. We do have new policies and procedures we will be following to make our church as safe as possible, but it is time to move forward.

I am so excited at all that God is doing here in our church. Truly we are entering an exciting time in the life of our church and with your help there is no limit to the impact that this church can have on our community. Let’s use this season of ordinary time to make an extraordinary impact for the kingdom of God.

Blessings and Peace,

Pastor David

From Pastor Matt's Desk

In a recent podcast with Carey Nieuwhoff and Simon Sinek on why the Church is losing ground in the culture, Sinek said, “The people have not lost their spirituality, but the church has lost its relevance.” As a pastor this really got under my skin initially, and perhaps it does yours as well. However, as I speak to friends who aren’t involved in church and as I see the cultural shifts of the world today, I notice this to be true. People are spiritual, but many aren’t involved in a church. People are spiritual, they find some hope somewhere in something, but oftentimes it isn’t in the God of the Bible. I noticed this at times in college when people would say they were a Christian, but not involved with a church. Being Christian means being involved in a local body somehow.

The pandemic of 2020 has produced numerous challenges in and of itself, but the pandemic has also sped up some challenges for the church. One of the greatest challenges for the modern church is permeating the digital world with the Gospel of Jesus Christ and genuine relationships. The digital age has sped up significantly in numerous ways through our culture; to the point where I never have to leave the house to get groceries, gifts, and even a car through Carvana. What a time to be alive and what an opportunity in front of us, church. Paul said it best to Timothy in 2 Timothy 4, “Preach the word; be ready in season and out of season; reprove, rebuke, and exhort, with complete patience and teaching.”

Friends, it may feel as though we are out of season, but it is simply a new season before us. The charge is still true. Preach the Gospel at all times. Preach the Word. Live the Word. Live the Good News. Love your neighbor. Love God. As we enter the summer season and we continue to have more ‘normalcy’ in our lives, let us push forward in this digital age before us and share the good news. Let us make the world and the internet our parish as we make disciples for the transformation of the world.

Pastor Billy's Notes

Why Join the Choir?

Enterprise First United Methodist Church is extremely fortunate to have such a wonderful Chancel Choir, and we really appreciate the magic and beauty of their choral singing. In a day when more and more churches are experiencing a lack of interest and even disbanding their choirs, we have a vibrant and committed Chancel Choir. I am honored to be their leader as we strive to bring the best music to our worship services. We have, however, lost several cherished choir members during this past year and we have openings for all parts. We are still distancing with one chair separating each member, and we are currently wearing masks when not singing. If you have any interest in singing please prayerfully consider joining our choir family. I have listed below just a few good reasons you might consider.

Rev. Billy Luttrell
Minister of Music

The human voice is a God given musical instrument that is to be treasured. To many who don't sing in the choir, the thought of choral singing may seem like a scary and impossible task, particularly if they can't read music. But, with that in mind here are a few thoughts about joining the choir.

The sum is better than one... The amazing thing about church choirs is most people in the choir have no musical training and are not great soloists. That's why we have choir rehearsal! We usually work five weeks ahead, and that means, when we present an anthem on Sunday, we have spent five rehearsals preparing that anthem. It always amazes me how every Sunday the hard work, the confidence, and the Holy Spirit all combine to make a beautiful blend and harmony of our many voices.

The social benefits are awesome... Membership in the chancel choir will enhance your circle of friends. There is a marvelous bond formed between musicians in the choir. As we learn music and perform that music, we learn to depend and trust those in the choir. The choir is a small group and you get to know each other in a more intimate setting as we meet each week.

There are also health benefits... Singing in a group is an ideal way to relax and relieve stress. It provides an outlet from the pressures of everyday life. Most all of us who come to Wednesday rehearsals agree that choir practice is our drug of choice for midweek relief of stress and pressures of life.

The main requirement to sing in the choir is to have the ability to sing in tune. Nearly everyone does this without even thinking about it. If you don't know what vocal part you sing, that is no problem. We will find just the right spot for you in our choir. Reading music is not required, you will be able to pick those things up as you continue in choir. Remember, joining a small group means making a commitment to being there as often as possible.

Some things to remember:

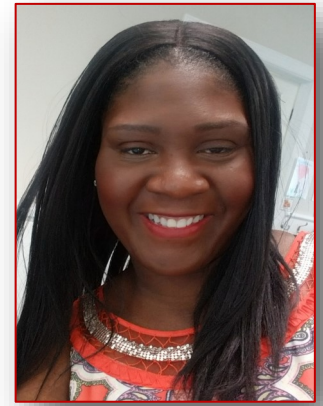

- ♦Choir gives us the opportunity to be worship leaders.
- ♦Choir focuses on DOING rather than OBSERVING.
- ♦Choir helps develop concepts of teamwork and cooperation.
- ♦Choir is a gift that will last a lifetime.

These are but a few reasons to join the choir and I hope you will consider joining our family. We meet on Wednesday evenings at 7:00 pm in the sanctuary.

"Sing"cerely,
Billy

EFUMC Children's Ministry

The Children's Ministry is happy to announce that summer break has officially started! We are off to a fun summer all about learning the love of Christ. Even though things have been turned upside down this year, we have not let that stop us! We have been engaging virtually and have had the opportunity to meet in person. This summer please be on the lookout for a new and exciting Sunday school theme, midday Bible studies on Wednesdays, and many more creative activities to learn about Christ! The Children's Ministry will remain vibrant and full of life because we know that God will bless us with many opportunities to serve, pray and worship together this summer!

Judene Fluker
Director of
Children's Ministry

Proverbs 19:21 states, "Many are the plans in a person's heart, but it is the Lord's purpose that prevails." With this scripture in your heart, move forward with hope and positivity knowing that God has a plan even in these unconventional times. His plan will always prevail and all believers should find peace in that fact! I challenge all of you to be more childlike. What do I mean? When I look around at our children I see them smiling, moving forward and adapting quickly to their surroundings. I see them making the best of the situation and still serving God! So, we could all benefit from being more like them. Live in peace, hope for the future, and remember that something good is going to come from all this!

I love you all and pray God to bless you with insight, wisdom and kindness! Be blessed!

Judene Fluker

P.S. Please don't forget about Vacation Bible School! The dates are June 14th- 17th! 8:30 to 12pm! I hope to see you there!

MEET OUR NEW DIRECTOR OF YOUTH MINISTRIES & FAMILY LIFE CENTER

**Peyton & Hilary
Hammack**

Hi everyone! My name is Peyton Hammack and I am the new Director of Youth Ministries & Family Life Center. I grew up in Hartselle, Alabama and went to school at the University of Mobile. While attending UM, I met my wonderful wife, Hilary. She grew up in Hoover, Alabama and is now pursuing a Masters in Social Work at Samford University. We both have hearts for ministry and bringing the Gospel to the next generation. I pray that God's hand will be over our ministry in the years to come.

This was one of the longest years of our life. Over a year ago, my wife and I decided to pack up everything and leave New Orleans, where we were both attending seminary. It was a hard decision to leave all of our friends behind, but we felt that God was calling us to leave and follow His will. Little did we know that would mean waiting a year for God to reveal where He wanted us to be. We had a rough year, but through it all it was evident that God was still faithful to us. We knew that He would find a

home for us, we just had to be patient. I can say without a doubt God has been at work in placing us here in Enterprise. We are excited to be here and excited for what the future holds!

I am sure some of you are wondering what the students will be learning this summer! We are going to be walking through spiritual disciplines. Spiritual disciplines are practical things that we can do in our daily lives to become more like Christ, such as reading your Bible or praying. I could not be more excited to dive into this topic and hope the students are as well!

JUNE S.T.A.R.S.

Hello friends! I want to personally invite you to the S.T.A.R.S. Bingo luncheon on June 24th from 12pm-2pm. This is a free event, but there is one catch! We will be giving away two awards for the best HAWAII 5-0 outfit. So wear your best Hawaiian attire, Danno, and come have fun with us for our

first S.T.A.R.S. event in over a year! A generous donor has made lunch FREE for everyone, but we will take donations to go to the Christian Mission.

We will also be discussing the S.T.A.R.S. ministry and what everyone can expect in the upcoming months as we are all S.T.A.R.S. and can all continue to be disciples who make disciples. Please RSVP to the Bingo luncheon by emailing youth@efumc.com with your name and if you are bringing any guests, or by calling the church office at 334-347-3467.

ENTERPRISE CELEBRATE RECOVERY

CELEBRATE RECOVERY – LET US GROW!

On May 20, 2021, the Celebrate Recovery leaders met for fellowship, a business meeting, and this topic: MOVING FORWARD. Our Training Coach, Patsy C., used this topic to help us avoid a decline and seek renewed growth in our Celebrate Recovery ministry. She emphasized these six stages of decline:

- 1) we become too comfortable
- 2) the status quo is celebrated
- 3) complacency sets in
- 4) mediocrity sets in
- 5) decay begins
- 6) the ministry has its funeral. *This last one is a shocker!*

Then, Patsy addressed the six stages of renewed growth:

- 1) reaching one more for Jesus as our number one purpose
- 2) past accomplishments are meant to build upon, not rest upon
- 3) ban “we have always done it this way” thinking
- 4) continue to look for new ways to stay fresh
- 5) new leaders continually growing in number
- 6) **The ministry has a renewal!** *Now we’re talking!*

“Don’t be misled – you cannot mock the justice of God. You will always harvest what you plant.”

–Galatians 6:7 (NLT)

May we reap what we sow in a good way. Remember, there is always a delay in the harvest and the result is exponential. We will reap greater than we sow.

In Celebrate Recovery, we value the step study experience as a way of spiritual growth for both individuals and the ministry. We have a new men’s step study beginning Friday, June 4, 2021, from 8:00-10:00 a.m. in the Gathering Room. You may contact Frank for more information at 334-447-8092 or email him at zerbinos47@hotmail.com.
